Minutes

Buildings & Grounds

- Mr. Derr gave an update on snow removal and there were no equipment issues.
- Transportation RFP
 - Contract with Brandywine transportation expires on June 30th.
 - We have drafted an RFP for a one-year contract due to reasons caused by COVID-19, subsidy funding, and uncertainty of next school year.
 - There is an option for a one-year extension.

Technology

- Old Technology Equipment Recycling
 - Mr. Hill reported that the district has old electronic equipment. It is being stored at various sites. Items such as old desktop computers, nook readers, laser printers, old UPSs, old monitors and whiteboards among other items will be recycled.
 - We are getting quotes from companies to see if there is any value earned if recycled or if we must pay to have it removed.
 - Some old laptop carts will be repurposed for other uses in classrooms or by maintenance staff. Any left over carts will be sold for scrap.

Reminder: Next meeting is scheduled for Wednesday, March 3, 2021.
