It's our 54th season of theater at Northern Lehigh and we are thrilled to bring the excitement of theater to the community! This Fall our students are continuing the tradition of a Fall play with *Attack! of the Killer Man from the Sun!* This family-friendly comedy plays homage to the old sci-fi movies that we all know and love. The play will be performed **November 17-19, 2023**.

Students will then begin working to bring you our 54th musical at Northern Lehigh, *Footloose*. This 1980s classic will have you dancing in your seat. There won't be a ban on dancing here! The musical will take place from **March 14-17, 2024**.

As with any arts organization, we do not survive on ticket sales alone. We are only able to have managed to become the success we are with the support from generous donors and businesses in the community at large, something for which we are so grateful.

Due to recent FCC signal law regulations and restrictions, much of our equipment—particularly sound equipment like microphones & receivers—are no longer legal to use. Both we and the School District itself are working diligently to try and replace the equipment that we are no longer permitted to use, but your donation and support could make a significant difference with the sudden, unexpected expenses we suddenly find ourselves with. As our program continues to grow and develop, students who have never taken on such a brave and exciting opportunity deserve the chance to be seen, to be heard, and to be supported by members of the amazing community that continues to uplift them.

With your individual donations and business support, you are helping to make the experience of music and theater a reality for all the hard-working and dedicated students who participate in our program. With your support this season, you can make a real difference.

If you would like to contribute to our theater program, please complete the enclosed order form and return it to the address provided. Your name, or your business name, will be listed in the Fall and an ad will be in our Spring program. Thanks to your continued support, the theater will continue to thrive at Northern Lehigh High School.
