REGULATIONS

1. All student-driven vehicles must be registered and must display a sticker indicating their assigned spot number on the back of the rearview mirror.
2. Students must park in assigned spaces on the lots between the middle school, high school, and at the field hockey field, or in assigned spots at the football field. Students **MAY NOT** park in any area designated with yellow lines, visitor's spaces, handicapped spaces, or behind the high school by the tennis courts. Failure to follow this policy will result in disciplinary action.
3. Students must drive with caution and courtesy, observe the signs and speed limits, and operate vehicles in a proper manner both on and off school property.
4. All students who drive to school, whether they be passengers or drivers, must upon arrival at school, leave their cars, go to their lockers, and report to homerooms the same as students transported by bus.
5. Students are not permitted to allow other students to park in their spots for any reason including the following: a) another student is driving you to school in their car, b) you will be absent and your spot will be empty. Failure to adhere to this will result in disciplinary action.
